Greetings Cory and Mike,

Next Monday at 3 p.m., the members of the TDOZ will be meeting. These are the owners between Orange and McCadden. In the new BID, they are paying an additional \$250,000 on top of their regular assessment to pay for whatever services they need. This will be an organizational meeting in preparation for their election of a steering committee in November.

I've invited David Giron in to brief them on the situation with the sidewalk vending ordinance. I'd like to make some time on the agenda for you as well, if there is anything you want to raise with them with respect to public safety in that very specific zone.

Kerry
